President's Message:

Hi ya'll!

Sorry I won't be there for the Nov. 6 meeting. I'll be in Georgia for my great nephew's wedding! Then I'm going to Cabo San Lucas for a vacation. If you have any photo shoot ideas for me in those locations, email me at jeanne.sparks@icloud.com.

I hope we will have all the board positions filled at the Nov. 6 election.

Serving on the board is fun. It gives you a chance to get to know your fellow photographers even better. You develop bonds with people that you might not have otherwise. It makes you feel good to know you've contributed to the success of this club.

Step up and have fun on the board! Let Alan or Flavio know you'd like to serve!

Also, keep your eyes open for an email from Richard Russ if any of your slides or prints have won this year. He will tell you what he needs you to bring to the Nov. 20 meeting so they can be entered in the year-end competition. Winning digital images will automatically be entered thanks to projectionist and webmaster Greg Doudna keeping track of them.

See you at the Nov. 20 competition. Hasta la vista!

Jeanne Sparks

Program Meeting & Election for November

This month we will just have Show & Tell. I'm hoping it's more of a "Show & Discuss." Please submit as many images as you would like, but here's the catch: Try to submit images that will lead to a group discussion, such as where to crop, exposure issues, sun angles, color balance, composition, etc. The point is to learn, not impress! Send your images to me, sized as they would be in a competition (see santamariacameraclub.org/digprep.html) to abupshaw53@yahoo.com.

At the November Program meeting we will also hold our annual Election of Officers. Cheryl Decker is standing for Club President, Alan Upshaw (me) is running again for VP. Bill Hood is running for Treasurer and Rosie Brancacio is running for Secretary. Both Bill and Rosie have graciously agreed to run, but are doing so out of loyalty to the club. They both would be more than happy if other members stepped forward to run for the positions, as they have done more than their fair share in the positions they currently hold. For example, Bill has been Treasurer for 20 years. Also we will elect 6 members for At-Large board members, a very easy job with minimal responsibilities. We still have some of the At Large positions available. Please do your part, and step forward.

~ Alan

***Our End of the Year
photo book project is due
December 31, 2019
and is limited to three
book submissions.***

***The project is open as to subject matter,
book style, materials and size.
The book should have a minimum
of 25 pages.***

***The only restriction is
that the photos must be the author's.
Also, books can be a
collaborative endeavor.***

***For more information,
contact either Robert Ginn
or Jim McKinniss
in the Club's Directory.***

From Richard Russ:

"The winning images for the year should be turned in at our last competition meeting on Nov 20th.

I will be sending out a list to each person sometime this week. I do not know who is picking up the prints.

The judging will take place sometime in the first part of December.

If someone cannot get their prints/slides to the Nov. 20th meeting they can contact me to arrange to get them."

Flavio Parigi and Alan Upshaw appear to be getting digitized by Chuck Uebele's digital projection while they try to give their election report during the October program meeting.

November 16th (Sat 2:45 pm) Hearst Castle Evening Tour 6:10 pm

Meet me at the Nipomo Starbuck's (next to Miner's Ace Hardware, 581 West Tefft St.) at 2:45pm for possible carpool and then drive to San Simeon for dinner at El Chorlito (9155 Hearst Drive, San Simeon). Sunset is at 5 pm and the Castle tour at 6:10 pm.

Castle illuminated at night, and is longer than daytime tours (100 minutes). Docents in period dress bring 1930s history to life as they move silently through the sumptuous rooms of Casa Grande. A vintage newsreel in Hearst's private theater rounds out the evening.

Tour highlights include House A (Casa del Mar), Assembly Room, Refectory, Kitchen, Library, Gothic Suite, Billiard Room, Theater, Gardens, Neptune Pool and Roman Pool. The Evening Tour is 1 hour and 40 minutes long and consists of approximately 303 stairs, both up and down, and a 3/4-mile route to walk.

Reservations as early as possible are strongly encouraged!

******* Choose Nov. 16th "Evening Tour" at 6:10 pm *******

Reservations can be made or cancelled online at [ReserveCalifornia.com](https://www.reservecalifornia.com) or by calling 1-800-444-4445. There is an \$8.00 per ticket registration fee to reserve tickets. Cancelled reservations will be assessed a \$7.00 cancellation fee. *Ticket Prices start at \$36 for adults.*

Points North and East For November 2019

Yosemite Valley Black Oaks could still be promising for early November. The Central Coast vineyards are turning and Central Coast Fall Color usually starts late in the month of October. I will be checking out Huasna, Adelaida, and the vineyards west and east of Paso Robles; western side of Salinas Valley in Monterey County, and the Edna Valley.

Many of our beaches and dunes of the Central Coast are only accessible by humans during the period from October 1st to March 1st. The best opportunity for shooting on these beaches and dunes is early in the winter season; fewer footprints, more animal tracks and some undisturbed sand ripples can still be found. The three miles of the Sand Spit (Dunes) of Montana De Oro SP is especially productive and the Pismo Dunes Preserve and Oso Flaco Dunes should be checked out.

November is the start of daytime low tide access to the local beaches. Usually low tide occurs between noon and sunset and is often very low (minus) tides. This has the benefit that the tidal pools, coves and beaches are most accessible with fewest visitors. If it is not raining the beaches have comparable temperatures to summer with more sunlight and better sun lighting angles. Some early “winter” wildflowers may start blooming in the Beach Dunes, Sea Bluffs and Coastal Scrub plant zones. Montana De Oro SP, San Simeon Point, Elfin Forest Loop Trail, East-West Ranch Bluff Trail, Estero Bluffs SB, Morro Bay SP, Pismo Dunes Preserve, Oceano Dunes and Oso Flaco Dunes are places to look for low tide opportunities and/or “winter” coastal wildflowers.

Usually the first opportunity for the drenching rainfall Fungi seem to need is November. The Fungi then appear one-to-four weeks after. In 2005-06 we had a series of drenching rainfalls hence a great Fungi year. That year’s Club trip to Cambria Cemetery succeeded in finding many Fungi including Bolettes, Fly Alaric, Chanterelles, Jack-in-the-Box, and Turkey Tail. Fungi can also be found at East-West Ranch, particularly the Southeast corner, San Simeon State Park, San Simeon Point, Stadium Park and Jim Green Trail in Atascadero, Los Osos Oaks Preserve, Eagle Rock Loop trail in El Chorro Park, and Ferrini Ranch Open Space near SLO.

The Butterflies and Elephant Seals return to the Central Coast in November. The non-breeding Elephant Seals haul out at Piedras Blancas early in November. The Bull Elephant Seals start arriving mid November. Soon after their arrival they contend for control of the beaches with often bloody fights.

The Sealth image SR185, “Tuolumne Jacuzzi,” represents the impact of this year’s substantial rainfall.

Tuolumne Jacuzzi (SR185)

In the morning, before a hard day of climbing, a careful dip in the rapids of the Tuolumne River’s peak spring runoff gives a stimulating full body massage.

The “Tuolumne Jacuzzi” image is part of the Sealth body of work which are digital images of landscapes, scenics, and the human form and are based on locations in the Tuolumne River, Tuolumne Meadows, Eastern Sierra, High Sierra and Central Coast of California.
