## The Santa Maria Camera Club Newsletter November 2020

### President's Message

The last month has flown by and I did truly little photography. I have been trying to put Lightroom images onto an external drive so I can unload my computer's hard drive. This is a giant headache for me...if anyone can help me please send me an email. I want to get back to the fun stuff...taking photographs and playing in Photoshop. Larry and I are off to Zion next week so I should get my fix there.

I want to thank Tony Martindale for stepping up to be Tzar of Judging for the next year! Please help Tzar Tony by referring possible judges to him.

Our judge for November is Luis Escobar. He has judged for us in the remote past but now spends most of his time in Eldorado County, so it has been hard to secure his physical presence in Santa Maria. Luis is an ultra-runner and race director as well as professional photographer. I ran in one of his events at the beginning of October and got him to agree to judge for us again since he can do it remotely. His website is [www.reflectionsphotographystudio.com](http://www.reflectionsphotographystudio.com). If you want more insight into Luis Escobar, I commend the book (on Amazon) "Born to Run" by Christopher McDougall. Luis and his younger day's exploits are featured prominently in this interesting read.

Stay safe and healthy,

**Cheryl**

## **Editor's Message**

It was April and the club was not able any more to meet at its usual place; the pandemic was surging and the only possible way to meet again was via computer. At the beginning it was strange and scary due to my limited knowledge of the computer, but after the first time, I discovered that it was simple, and I had a really great time. I remember that at the beginning we were thinking that it was only a temporary short period but, unfortunately, the video meeting is still on and it's an unknown when things will get back to "normal". There is no question that from one side, this method is a little impersonal and I really miss to meet each other in person (and our break time). On the other hand, it is a great joy to have this possibility and I cannot say thank you enough to the people that work so hard to set up these meetings. I hope to see all our members participating and have the possibility to spend some time speaking together about what we love the most - all aspects related to photography.

### **SMCC Web Site Updates**

As we try to attract new members, the SMCC web site is a valuable resource for attracting new members. If you meet someone interested in photography refer them to our web site: <http://www.santamariacameraclub.org>

If you have not visited the web site lately, I encourage you to do so. Your web master recently spent many hours updating the site to more current versions of HTML5 and CSS3 code as well updating layouts. The site now supports Responsive Support for all the major browsers as well as being more responsive to a broader range of screen sizes for cell phones, tablets, and large desktop monitors.

The site highlights every month's winning images, those that are submitted for web site posting, all of our Galleon newsletters back to 2015, all our winning images by year from 2015, our activity calendar, a link to YouTube videos of all our recent virtual meetings (thank you Tony Martindale), and a growing section on club events. The site provides a lot of insight to the club's activities and opportunities to those who might be interested in joining.

## Program Meeting November 4

This month we will have a Show & Tell as the main program. This is the time to show your **Mindless** photos (*refer to the Field Trip page 6 in the October Galleon.*) There's still time if you have not done any. Be impulsive, reckless, trigger happy. Do not think about it, just point and shoot! Also, motivated by Tony's alternate process program last month? Try something new or different? We would love to see the results. No limit on images, decide what is appropriate yourself.

Also, since it is that time of year, feel free to show any (new or old) images of fall color, Halloween, Day of the Dead, turkeys, or pumpkins to get us in the mood. Please send your images to Greg at least one day prior [gndoudna@gmail.com](mailto:gndoudna@gmail.com). If you are unable to send images in advance, or would like to show something on your computer, it is possible to share your screen as well.

At this meeting, we will hold our annual SMCC election for the new officers and 6 at-large board members for 2021. All our 2020 board members have been nominated for re-election. If there are no challenges, then we can vote by acclamation.

*The slate of candidates is as follows:*

President: Cheryl Decker

Vice President: Alan Upshaw

Secretary: Rosie Brancacio

Treasurer: Bill Hood

At-Large Board members: Nyla James, Penni Powell, Flavio Parigi, Patty Blythe, Elaine Calvert, Tony Martindale

Jeanne Sparks remains on the board as the Immediate Past-President.

Greg will send an email invitation prior to the start of the meeting. Please log on a little early, so we can start on-time at 7:00pm. Guests are always welcome. Please send an email to Greg.
